

Canine Spirit

And God asked the canine spirit
Are you ready to come home?
I believe so, replied the precious soul
My toys and bones can remain
As a reminder of love and dedication

Can you come then? asked God
Soon, replied the tail-wagging angel
But I must come slowly
For my human companions are troubled
For you see, I am their best friend

But don't they understand? asked God
That you'll never leave them?
That your souls are intertwined. For all eternity?
That nothing is created or destroyed?
It just is...forever and ever and ever

Eventually they will understand,
Replied the glorious dog
For I will whisper gently into their hearts
That I am always with them
I just am...forever and ever and ever
