

**COLLEGE OF VETERINARY MEDICINE
AND BIOMEDICAL SCIENCES**
COLORADO STATE UNIVERSITY

SCHOLARSHIP NAME	CRITERIA
ABNEY FOUNDATION SCHOLARSHIP	Outstanding graduate student in the Animal Reproduction and Biotechnology Laboratory with a focus on equine reproduction
CARLTON SUNDBERG MEMORIAL SCHOLARSHIP	1) Senior or graduate veterinary medical student 2) Studies or research pertaining to animal work potentially benefiting human medical purposes 3) Deserving and worthy student
CSU RADIATION HEALTH SCHOLARSHIP	1) Full-time graduate student 2) Enrolled in a program of the Department of ERHS 3) Demonstrate intent to enter radiation health, health physics, radioecology or radiation biology as a career
CSURF HOERLEIN FELLOWSHIP	Support for a graduate student working on the DVM-PHD combined program
DON B. OLSEN DVM-PhD FELLOWSHIP	1) Awarded to a student participating in the Combined Degree Program (DVM-PhD)
DR. BOB TOOMBS MEMORIAL SCHOLARSHIP	1) DVM student enrolled in a graduate program with a specific emphasis on some phase or element of beef cattle production or health 2) Secondary consideration to student enrolled in a graduate program with a specific emphasis on some phase or element of beef cattle production or health
DR. DEAN PAVILLARD SCHOLARSHIP	1) Junior, senior or graduate student enrolled in the Equine Sciences Program 2) Demonstrated academic superiority 3) Financial need 4) Dedicated to career as practicing veterinarian
DR. MARK A. GEARHART MEMORIAL SCHOLARSHIP	1) Graduate student in the DVM Program of the College of Veterinary Medicine and Biomedical Sciences 2) Demonstrate financial need as established by the Office of Student Financial Services of CSU 3) Admitted to the food animal medicine program
DR. REGINALD L. GOTCHY MEMORIAL SCHOLARSHIP	1) Graduate student enrolled in Environmental and Radiological Health Sciences 2) Financial need 3) Good academic standing
DR. WILLIAM K. RIDDELL MEMORIAL GRADUATE SCHOLARSHIP	1) Awarded to the best and brightest of the available graduate pool 2) To support areas of research with prospect of success/impact within Health Service 3) Financial need 4) Possibility of renewal for second year
E.J. CARROLL MEMORIAL SCHOLARSHIP	1) Highest CUM GPA in ARBL 2) Performing food animal reproductive biology
ED H. HONNEN SCHOLARSHIP	Deserving graduate student in the Animal Reproduction and Biotechnology Laboratory with financial need

FLOYD CROSS MEMORIAL SCHOLARSHIP	1) Graduate student in the College of Veterinary Medicine and Biomedical Sciences 2) Based on innovativeness, partiality to sciences (especially pathology), and enthusiasm for chosen field
FRANCE STONE SCHOLARSHIP	Deserving graduate student in the Animal Reproduction and Biotechnology Laboratory with a focus on equine reproduction; preference to Ohio, Michigan or Indiana residents
GEORGE HOLZER MEMORIAL SCHOLARSHIP	1) Financial need 2) Good academic standing 3) Show interest in bovine embryo transfer
JAMES D. DEFIELD-ROY BUCHAN MEMORIAL SCHOLARSHIP	1) Student enrolled half-time or more in the Industrial Hygiene Graduate Program 2) Must have completed one full semester at CSU in the graduate program for industrial hygiene
JAMES N. DUPREE SCHOLARSHIP	1) Graduate student who will contribute to investigation of stallion semen
KINGMAN ILM FUND	1) ILM graduate student 2) Financial need 3) Exhibits a sincere commitment to professional work in Livestock Production Systems
KIRKE L. MARTIN MEMORIAL SCHOLARSHIP	1) Must be a graduate student 2) Must be involved in the application of results from environmental health or microbiology research 3) Has a demonstrated financial need 4) Must be in good academic standing with CSU
LISA MARIE CRAFT MEMORIAL GRADUATE SCHOLARSHIP	1) Enrolled in an Anatomy and Neurobiology graduate degree program 2) Participate in teaching undergraduate students in the departmental labs 3) Demonstrate academic achievement 4) Show career promise in teaching, research or outreach
MITZY H. YOUNT MEMORIAL SCHOLARSHIP	1) DVM degree holder engaged in post-graduate training
MORTIMER/BEEF TODAY/ELANCO SCHOLARSHIP	1) Graduate student specializing in production agriculture in the College of Veterinary Medicine and Biomedical Sciences 2) Pursuing a master's degree or Ph.D. and be a veterinarian in graduate training beef production management
NATIONAL WESTERN GRADUATE SCHOLARSHIP IN EQUINE VETERINARY MEDICINE	1) Full-time graduate student in College of Veterinary Medicine and Biomedical Sciences or School of Biomedical Engineering 2) Major in Clinical Sciences or Biomedical Engineering 3) Overall 3.2 GPA 4) Must be a Ph.D. or resident student who is engaged in postgraduate work in equine veterinary medicine 5) Encouraged to volunteer during the National Western Stock Show 6) Preference will be given to students who have not received the scholarship before
PATTRIDGE FAMILY SCHOLARSHIP	ILM/IRM: 1) Graduate student enrolled in the ILM/IRM program 2) Financial need 3) Good academic standing 4) Exhibit a sincere commitment to professional work in Livestock Production Systems
RAY T. WALKER MEMORIAL SCHOLARSHIP	1) outstanding equine sciences graduate student 2) research in equine reproduction or equine lameness research 3) recipient selected by director of equine sciences program

ROLAND AND GINNY WILSON SCHOLARSHIP	1) enrolled in the DVM Program, 2) good academic standing, 3) financial need, 4) preference given to large animal with interest in cattle ranching and herd health
VET PREP SCHOLARSHIP	1) Full or part-time student (minimum 6 hrs. for part-time student) in College of Veterinary Medicine and Biomedical Sciences 2) First year of the Vet Prep Program 3) Financial need
WAYNE AND NANCY MCILWRAITH ORTHOPAEDIC FELLOWSHIP	1) Ph.D. level graduate student enrolled in the equine orthopaedic program with the College of Veterinary Medicine and Biomedical Sciences 2) Be in good academic standing
WELLS BEKINS BEEF CATTLE SCHOLARSHIP	1) Be a full-time third or fourth year student enrolled in the Doctor of Veterinary Medicine Program, with a demonstrated interest in and intent to provide veterinary service to the beef cattle industry - this criteria includes DVM students seeking general large animal or rural mixed (small and large) animal careers with beef cattle activity 2) Be in good academic standing 3) Preference may be given to students who demonstrate financial need, as established by the Office of Student Financial Services of CSU
MARK FRASIER SCHOLARSHIP	1) Students enrolled in the College of Veterinary Medicine and Biomedical Sciences 2) Major in Master of Human Anatomy
IRENE P. STANKO SCHOLARSHIP	1) Be a third-year student enrolled in the Doctor of Veterinary Medicine Program, with a demonstrated interest in and intent to provide veterinary service to the camelid industry 2) Demonstrate financial need as established by the Office of Student Financial Services of CSU 3) Maintain an overall 3.0 GPA
