Title: Research Associate I, II, or III Positions – Open Pool

Employment Type: Administrative Professional

College: Veterinary Medicine & Biomedical Sciences

Department: Biomedical Sciences

Salary: Commensurate with experience and qualifications.

Requirements: Research Associate I, II, or III Positions available in biomedical sciences laboratories studying the role of selected molecules on biological processes in vivo or in vitro. Must have Bachelor’s degree in Biology, Chemistry, Biochemistry, Molecular Biology, or Neuroscience related field. A minimum of one year work experience is preferred. Requires experience with molecular, cellular or anatomical techniques, and familiarity with microcomputers, analytical instrumentation, and data analysis. Individuals will assist in the organization and operation of specific laboratories, and in some cases, the possibility of working with animal models (including surgery).

Management duties may consist of managing inventory and databases, and ensuring a supply of solutions, and disposable and non-disposable supplies. Experimentation duties may involve basic techniques in molecular and cellular biology including PCR (genotyping), DNA digests, electrophoresis, recombinant protein expression and purification; basic techniques in molecular anatomy including immunocytochemistry and in situ hybridization; and basic techniques in cell culture. Personal or professional commitment to diversity as demonstrated by persistent effort, active planning, allocation of resources and/or accountability for diversity outcomes.

Application Deadline: 11-30-2014

To Apply: Application Deadline: 11-30-2014. NOTE: This pool will expire in one year (11-30-2014) and individuals will need to reapply to be considered beyond that date.

To Apply: Submit curriculum vitae and the names, addresses and telephone numbers of three references electronically to: CVMBS-BMS_ra_pool@mail.colostate.edu. For questions please call (970) 491-6187 or email CVMBS-BMS_ra_pool@mail.colostate.edu, applications may also be mailed to: BMS RA Pool, 1680 Campus Delivery, Fort Collins, CO 80523-1680 or FAX to (970) 491-7569.

Colorado State University does not discriminate on the basis of race, age, color, religion, national origin or ancestry, sex, gender, disability, veteran status, genetic information, sexual orientation, or gender identity or expression. Colorado State University is an equal opportunity/equal access/affirmative action employer fully committed to achieving a diverse workforce and complies with all Federal and Colorado State laws, regulations, and executive orders regarding non-discrimination and affirmative action. The Office of Equal Opportunity is located in 101 Student Services.

Colorado State University is committed to providing a safe and productive learning and living community. To achieve that goal, we conduct background investigations for all final candidates being considered for employment. Background checks may include, but are not limited to, criminal history, national sex offender search and motor vehicle history.
