MISSION

We improve the health of animals, people, and the planet through innovative and dedicated teaching, research, outreach, and clinical service. Through our actions, we empower the next generation of leaders to change the world.

VALUES

We act with integrity and are trusting and respectful of one another. We create an atmosphere that makes our college the academic community of choice.

Transparency
Lack of hidden agendas and conditions, accompanied by the availability of full information required for collaboration, cooperation, and collective decision-making.

Accountability
A willingness or obligation to accept responsibility, to account for actions and activities, and to disclose the results.

Collaboration
People or units working together to achieve a common aim.

Team
A small number of people with complementary skills who are committed to a common purpose, performance goals, and approach for which they hold themselves mutually accountable.
