Financial Aid Application Process

- Go to [www.fafsa.gov](http://www.fafsa.gov) to complete the Free Application for Federal Student Aid (FAFSA). CSU’s school code is 001350 and CSU’s priority date to submit your FAFSA is March 1.

- The 2017-2018 FAFSA is the first year of a change to using Prior-Prior Year tax information. This change will require that you use your 2015 tax information for the 2017-2018 FAFSA.

- To apply for a Health Professions Loan (HPL) complete the parental sections of the FAFSA with accurate information. A parental signature is not required. Your parental data is only used to calculate your eligibility for HPL.

- By completing the FAFSA, you will be considered for all types of government financial aid. Financial aid can only be awarded to U.S. citizens and permanent residents.

- Important note: You must have accepted CSU’s offer of admission before financial aid can be awarded to you. After you have accepted the offer of admission, financial aid will be awarded to fully meet your “estimated cost of attendance.”

Each semester, the first batch of direct deposit refunds will be in personal bank accounts on Thursday before classes begin. If you do not sign up for direct deposit a refund check will be mailed to you. Checks are mailed on the 1st, 3rd, and 5th Fridays of each month.
Loan Deferment Information

Your previous student loans are deferred while you are enrolled at least half-time. CSU automatically sends enrollment information to the National Clearinghouse each semester. Many lenders (including Direct Loans) request enrollment verification information directly from the Clearinghouse.

An Enrollment Verification Certificate, which includes your current enrollment information, can be printed from RAMweb and provided to your lender. This form is available early each semester.

Direct Loan Repayment Information

Additional information on loan repayment, including interactive calculators, is available at financialaid.colostate.edu or studentloans.gov

The National Student Loan Data System (NSLDS) provides information on your total loans to date (does not include Health Professions Loan) and is available at www.nslds.ed.gov. You will need your Federal Student Aid ID (FSA ID) to access your personal data. You may create or edit your FSA ID at https://fsaid.ed.gov.

Health Professions Loan balances are available from CSU Student Loans, (970) 491-6467.

- Borrowers can switch repayment plans at any time

Public Service Loan Forgiveness
