

**ANTISERA AVAILABLE FROM  
THE ENDOCRINOLOGY LABORATORY**

<u>ID#</u>	<u>DESCRIPTION</u>	<u>REFERENCE FOR USE</u>
244	anti-estradiol-6-BSA serum	<i>J Clin Endocrin Metab</i> 38:718, 1974
250	anti-testosterone-11-BSA serum	<i>Arch Andrology</i> 1:257, 1978
325	anti-estrone-6-BSA serum	<i>Biol Reprod</i> 29:56, 1983
337	anti-progesterone-11-BSA serum	<i>Endocrinology</i> 100:1483, 1977; <i>Biol Reprod</i> 42:801, 1990
566	anti-porcine LH serum	<i>Endocrinology</i> 87:576, 1970
1055	anti-melatonin-BSA serum	<i>Endocrinology</i> 98:482, 1976
1222	anti-cortisol-3-BSA serum	<i>J Animal Sci</i> 72:700, 1994
1245	anti-GnRH-BSA serum	<i>Endocrinology</i> 123:2916, 1988; <i>Endocrinology</i> 131:1397, 1992
CSU120	anti-rat LH serum	*
CSU204	anti-ovine LH serum	<i>Endocrinology</i> 125:85, 1989

\* no published reference to date

Aliquots of lyophilized antisera will be sent to investigators upon request. There is a charge of \$50 per vial to help defray the costs of lyophilization, shipping and handling. We request that this fee be remitted within 30 days of receipt of the material.
