Title: Research Associate Pool-Microbiology, Immunology and Pathology

Employment Type: Administrative Professional

College: Veterinary Medicine & Biomedical Sciences

Department: Microbiology, Immunology and Pathology

Salary: Commensurate with experience

Requirements: Research Associate positions are available in the Department of Microbiology, Immunology and Pathology in the area of infectious disease research. Applicants must have a Bachelor’s degree in microbiology, biology, molecular biology, biochemistry or a closely related field. Candidates with knowledge and experience in one or more of the following fields are preferred: bacteriology, virology, parasitology, pathology, immunology, molecular biology, biochemistry, prion biology or vector biology. A minimum of one-year work experiences is also preferred. The successful candidate will possess a strong work ethic, excellent communication skills and the ability to work as part of a team. Reflecting departmental and institutional values, candidates are expected to have the ability to advance the Department's commitment to diversity and inclusion.

The successful candidate must demonstrate U.S. employment eligibility at time of application; CSU will not provide visa sponsorship for this position.

Application Deadline: The pool will expire 01-31-2015. Individuals wishing to be considered beyond this date must reapply.

To Apply: Please submit a letter of intent outlining your specific areas of expertise, curriculum vitae and the names and contact information of three references to Department of Microbiology, Immunology and Pathology, Attn: Research Associate Pool, 1619 Campus Delivery, Colorado State University, Fort Collins, CO 80523-1619. Electronic submissions to rapool@colostate.edu are preferred. Questions may be directed to the Department Office at (970) 491-6144.
